Dear Victoria Family Court and Youth Justice Committee,

I would like to take this opportunity to thank you for supporting Motion M-47. Your strong endorsement of Motion M-47 and ongoing commitment to end exploitation and sexual violence was integral to the success of Motion M-47 and the subsequent study by the Standing Committee on Health.

As we seek to confront and prevent the pervasive rape culture and sexual abuse that far too often targets women and youth, it is clear that there is much work to be done. I would welcome your input on policies or legislation that I could advocate for that helps build a society that upholds the dignity of all people, combats violence against women and girls, and protects the spirit of our boys. I have included a feedback form and a return envelope for your convenience.

Again, thank you for your support for Motion M-47. Together we can prevent the exploitation of our children.

Sincerely,

A handwritten signature in blue ink that reads "A. Viersen".
